

# B4SH

Broadband for Surrey Hills Ltd

Do you want to be part of an exciting project to build one of the fastest networks in the country?

***Broadband problems?***  
***Are you fed up with slow broadband?***  
***Do you have trouble with service reliability?***  
***Are you unhappy with your broadband provider?***  
***Do you resent paying line rental charges?***

## The solution

B4SH will provide hyperfast fibre optic cable into every property along our routes through the Surrey Hills giving exceptional broadband speeds.

In addition you have the opportunity to get involved – installing, investing and taking the service. For more information and to register interest go to [www.gigupanddown.net](http://www.gigupanddown.net)

**The service:**  
**1Gbps (1000Mbps)**  
**Symmetric**  
**(down and up speed)**  
£150\* installation fee  
(subject to survey)  
£45\* monthly charge

Register an interest  
**NOW!**

B4SH is the future of broadband in the Surrey Hills –  
Join us in rolling out this exciting project

We are supported by Guildford Borough Council

There is no catch!  
**Together we can build our network.**
